

**Universidade Federal do Pará**

*Belém, Pará, Brazil*

**PROINTER**  
**International Relations Office**

- 
- One of the seven states of the North region of Brazil;
  - Located in Amazon region covering a huge territory;
  - The state occupies a flat area surrounded by a complex watershed and many inhabited islands .

## **The State of Pará**

- **Founded by Portuguese colonizers in the 17th century;**
- **Mixed Portuguese, Indian and African heritage, easily seen in the city architecture, food and culture;**
- **Approximately 1.5 million people live in Belém;**
- **City offers all facilities found in other big Brazilian cities;**
- **Belém preserves its historical heritage.**

## **The City of Belém**

# UFPA - General Data

**Established in 1957**

**University Population: 52,419**

**11 Campuses**

**The largest academic and research  
institution in Amazonia**

# UFPA – University Profile

❖ 127 Undergraduate Courses

❖ 77 Graduate Programs

❖ 30,445 Undergraduate students

❖ 3,600 Graduate students

❖ 2,300 Faculty Members

❖ 26 Doctoral Degree Courses

❖ 51 Master's Degree Courses

# **Graduate Programs Environment and Ecology**

- ❖ **Amazonian Agriculture**
- ❖ **Aquatic Ecology and Fishery**
- ❖ **Environmental Biology**
- ❖ **Environmental Sciences**
- ❖ **Natural Resources Management**
- ❖ **Sustainable Development in the Humid Tropics**

# Graduate Programs – Life Sciences

- ❖ **Biology of infectious and parasitary agents**
- ❖ **Biotechnology**
- ❖ **Genetics**
- ❖ **Neuroscience and Molecular Biology**
- ❖ **Zoology**

# Graduate Programs

## Physical Sciences and Mathematics

- ❖ Chemistry
- ❖ Mathematics and Statistics
- ❖ Physics

# Graduate Programs

## Earth Sciences

- ❖ Geology and Geochemistry
- ❖ Geophysics

# Graduate Programs

## Engineering and Architecture

- ❖ Architecture and Urbanism
- ❖ Chemical Engineering
- ❖ Civil Engineering
- ❖ Construction Processes
- ❖ Electrical Engineering
- ❖ Food Science and Technology
- ❖ Industrial Engineering
- ❖ Mechanics Engineering
- ❖ Natural Resources Engineering

# Graduate Programs Health Sciences

- ❖ Health in Amazonia
- ❖ Nursening
- ❖ Odontology
- ❖ Oncology and Medical Sciences
- ❖ Pharmaceutical Sciences
- ❖ Tropical Diseases

# **Graduate Programs**

## **Animal Sciences**

- ❖ **Animal Health in the Amazonia**
- ❖ **Animal Science**

# Graduate Programs

## Arts, Linguistics and Literature

- ❖ Arts
- ❖ Linguistics and Literary Theory

# Graduate Programs – Computing

❖ **Computing Sciences**

# Graduate Programs – Education

- ❖ Education
- ❖ Sciences and Mathematics Education

# Graduate Programs – Humanities

- ❖ **Antropology**
- ❖ **Behavioral Theory and Research**
- ❖ **Geography**
- ❖ **History**
- ❖ **Language and Knowledge in the Amazonia**
- ❖ **Philosophy**
- ❖ **Political Science**
- ❖ **Psychology**

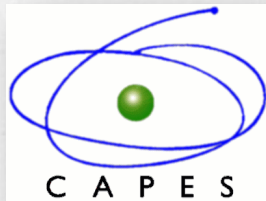

# **Graduate Programs Social Sciences**

- ❖ **Communication**
- ❖ **Economy**
- ❖ **Law**
- ❖ **Social Defense**
- ❖ **Social Sciences**
- ❖ **Social Work**

# Academic Mobility with Europe

## Current Experience

- ❖ Erasmus Mundus Programme (University of Cambridge – ISAC partner )
- ❖ IBE (Institute for Studies Brazil Europe) – Brunel University partner (UK)
- ❖ Santander scholarships (undergraduate students)
- ❖ Doctoral students (CAPES Scholarships – University of Oxford)
- ❖ Post doctoral researchers (CAPES and CNPq Scholarships)
- ❖ Exchange between research groups (including students' visits), without direct financial support.

# Academic Mobility – UFPA goal

- ❖ Increasing exchange number of students (undergraduate and graduate students) and researchers.

# Academic Mobility

## What UFPA Can Offer

- ❖ Unique expertise in research on Amazonian subjects;
- ❖ Local support for students;
- ❖ A rich cultural environment.

Thank you for your attention!
